General

It was discussed that the Moore Creek Marlins cricket club had shown some interest in the oval. They could share it with the current team if they want to pursue it further. They have discussed having a charity fundraising match near the end of the year.

A discussion was had on looking at some fundraiser/family days at the hall. We settled on the idea of having something for Australia Day next year. We will discuss this further at future meetings. Everyone was asked to think about ideas before then.

An email has been set up at moorecreekhall@gmail.com.

Next meeting 9th November @ 1900Hrs
