Project Update: Nundle Public Amenities Replacement

Commencement Date—Construction works for the new amenities are scheduled to commence on Wednesday 21st November 2018 and are scheduled to be completed before Christmas 2018

Where will people go to the toilet during the construction phase?

Because the old toilet will need to be demolished to make way for the new amenities, there will be no public toilets available during this period. Alternate public toilets are available at the lower recreation reserve Nundle and the Nundle Swimming Pool during opening hours. Where there are known major events scheduled within the Nundle Memorial Hall, alternate amenities will be accessible. There will be signage directing people to alternate amenities within the community

Where do I go if I want to find out more information?

If you would like to talk to someone about this project please contact our Place Manager— Kay Burnes on 67675901 or mobile 0409960243, or alternatively pop in to your local council office, phone 67675900
