

Night work on Manilla Road (Peel Street), North Tamworth, from Friday 16 December 2016

The NSW Government is funding the \$2.5 million upgrade of Manilla Road (Peel Street) between Tribe and Jewry streets. To reduce impacts on traffic, work will soon be carried out at night outside standard working hours.

Tamworth Regional Council is building the upgrade on behalf of Roads and Maritime Services. The work involves widening Manilla Road to improve safety and relieve traffic congestion on Manilla Road.

Night work will be carried out on **Friday 16 December** and then for **three nights from Sunday 18 December**, weather permitting. Our working hours will be **between 6.30pm and 6.30am**. If delays are encountered due to weather the work will be postponed to a later date.

The work will include heavy patching in Tribe and Piper streets and Manilla Road (Peel Street) as well as completing a 50mm asphalt overlay. When the work is completed it will allow traffic to again turn right out of Tribe Street into Manilla Road (Peel Street).

How will the work affect you?

There will be some noise associated with this work but every effort will be made to minimise the impact on residents. Where possible we will schedule noisier work to take place before 10pm.

The work will involve the use of lighting towers, delivery trucks, asphalt paving machines and light vehicles which will all be fitted with reversing squawkers to reduce noise.

Traffic changes

Tribe Street will be closed to traffic while the work is carried out. Motorists are asked to use Johnston Street as an alternate route to access Manilla Road.

Contact

If you have any questions about this work, please call our project manager, John Rae, on 0427 961 123 or email j.rae@tamworth.nsw.gov.au. Thank you for your patience during this important work.
