GUIDELINES and APPLICATION FORM

Please read this entire document in full prior to completing the Application Form.

BACKGROUND

A Regional Heritage Assistance Fund has been established by Tamworth Regional Council with the aid of a grant from the NSW Heritage Office. **THERE IS A TOTAL OF \$41,000.00 AVAILABLE UNDER THE FUND WHICH IS SUPPORTED BY TAMWORTH REGIONAL COUNCIL AND THE NSW GOVERNMENT.**

AIM OF THE FUND

The aim of the fund is to encourage as much positive work on heritage items in the region as possible. This program will provide kickstart funding to encourage the joint funding of a number of projects. In the process, it is hoped that it will engender greater interest and concern for conservation for all heritage items within the region.

INVITATION TO APPLY

Owners of heritage buildings in the region, particularly those located in former shire areas of Parry, Manilla, Barraba and Nundle are invited to apply. Main Streets in Tamworth and villages are again additionally a priority in 2020/21. It is essential that you prepare the best application possible because of the limited funds available.

ELIGIBLE PROJECTS

Projects which involve the repair, maintenance or reinstatement of missing items on heritage buildings are eligible. These might include fences, verandahs, roof cladding and/or decorative detail. Projects might also include structural work through to final painting of projects.

PROJECTS NOT FUNDED

Funding will generally **not** be provided for the following projects: where assistance is reasonably available from another source; where substantial assistance has been previously provided by the NSW Government or where the applicant has yet to complete other assisted projects; purchase of a building, site or movable item; a new addition to a heritage building (including new internal fittings such as new kitchens and bathrooms); the relocation of a heritage building or work on a relocated building; work on a government owned building still used for a government purpose.
