Barking Dog Courtesy Letter

Dear Neighbour,

I am writing to let you know that your dog/s are causing a noise disturbance by barking excessively.

As you may not be aware, I wanted to take the opportunity to advise you of the situation so that you can attempt to address and resolve the problem, rather than making a formal complaint to Council.

I have provided details of dates and times of when the dog/s have been barking to help assist you to manage this:

Date	Time started	Time stopped	Potential cause of barking

Please contact Tamworth Regional Council on (02) 6767 5555 or trc@tamworth.nsw.gov.au for suggestions to help reduce or control the barking.

From your neighbour,
