

Barking Dog Courtesy Letter

Dear Neighbour

You may not be aware that your dog is constantly barking, causing a noise disturbance.

Tamworth Regional Council (TRC) suggests that I contact you as a first step, to raise my concern and make you aware, rather than lodge a formal complaint with Council.

Below are some of the times your dog was barking.

Date	Time started	Time stopped	Barking at

You may wish to contact TRC Rangers or Animal Control Officers to assist you in this matter, they can offer suggestions to help reduce or control the barking
