

Waste Vouchers Terms & Conditions (T&Cs)

(Updated 1 July 2023)

1. Introduction

As part of Council's current waste collection contract term or for however long Council deems it appropriate to do so, each residential property within the Tamworth Local Government area will receive four (4) waste vouchers per Financial Year (FY).

One voucher is issued to each residential property per quarter in July, October, January and April. Each voucher has a unique QR code and is tracked back to each property.

The restrictions and conditions of use are contained in the waste voucher T&Cs. T&Cs are subject to change without notice and up to date T&Cs can be obtained via Council's website.

2. Objectives & Governance

- 2.1 To assist residents with four (4) opportunities to dispose of up to 2 cubic meters of general waste (non- recyclable bulky household items) subject to restrictions as per the T&C's.
- 2.2 Where there is confusion, or disagreement as to what waste is eligible to be disposed of with the waste voucher, including the volume/amount of waste presented Council staff at the waste facility the waste is being presented to will make the final decision.
- 2.3 Council reserves the right to change or amend T&Cs without notice.
- 2.4 Vouchers are intended for:
 - 2.4.1 the people living in the dwelling of the property where there is a bin service; or
 - 2.4.2 for the property owners where there is a dwelling and no kerbside bin service; or
 - 2.4.3 for the owners of vacant residential land with no dwelling.
- 2.5 Vouchers are not redeemable for cash.
- 2.6 All vouchers EXPIRE on 30 June at the end of each financial year. New vouchers will be available through the voucher request process from 1 July each financial year.
- 2.7 The voucher system can be used with any other program that Council may approve from time to time.
- 2.8 Vouchers are single use in nature with a unique individual QR code and traceable to the property they have been issued to. If a voucher has been redeemed it cannot be used again. If a voucher is presented for a second time, residents will be asked to provide a different valid voucher or they will be charged to dispose of the waste presented as per Council's current fees and charges.
- 2.9 Council staff will retain all presented vouchers.
- 2.10 Commercial properties or businesses will not receive or have access to waste vouchers.
- 2.11 Lost, missing, stolen or not received vouchers will be cancelled and a new voucher will be reissued upon request. If cancelled vouchers are found at a later date, they will not be able to be presented.

3. How do you access Waste Vouchers?

Council no longer issues waste vouchers via post. Vouchers are now issued via an online self-service platform.

If you have not had waste vouchers before, you will need to complete the online form initially, so that we can connect you to the property you live in. Once you have been connected to the property you live in, you will be able to access the vouchers online and you don't have to complete the form again.

As vouchers become available each quarter, they will appear in your online self-service portal automatically.

If you do not wish to access waste vouchers online and wish to receive your voucher by email or by post, you can [complete the online form](#) to indicate this is your preference, or you can call Council on 6767 5555

for assistance. However, if you choose this option you will have to complete the waste voucher request form each quarter or call Council each quarter to have your vouchers issued to you.

4. What does a Voucher Allow?

- 4.1 Each voucher allows for the disposal of up to 2 cubic meters of non-recyclable bulky household waste at one of Tamworth Regional Council's Waste Management Facilities.
- 4.2 If the waste presented is considered ineligible for disposal using a waste voucher, full charges will be levied for the disposal as per Council's current fees and charges.
- 4.3 Residents are required to pre-sort their waste into recyclable materials for disposal in appropriate areas (ie metal waste, green waste, e-waste, Community Recycling Centre items) as directed by staff and the voucher covers the remaining non-recyclable waste.
- 4.4 A maximum of 2 car/4WD/motorcycle tyres will be allowed per waste voucher and if there are more tyres in the load, then the additional tyres will be charged the appropriate fee as per the current fees and charges.
- 4.5 A maximum of 1 mattress will be allowed per waste voucher (no matter what size) and any additional mattresses will be charged the appropriate fee as per the current fees and charges.

4. What is NOT Allowed?
