Long Term Leased Standpipe

or

Short term leased standpipe

Metered standpipe number

If found, please call

Tamworth Regional Council Water & Waste Directorate on 02 6767 5811

Hydrant Faults

If you have any difficulties with the operation of a hydrant, phone Tamworth Regional Council on 02 6767 5811 as soon as possible

How to read your meter

Digital Meter

Read whole numbers only

Recording standpipe use

1. A log book entry must be made at the completion of each draw.
2. **A meter reading must be taken on the 21st day of each month** and recorded at the bottom of the current log book page. The page must be signed and dated.
3. **A copy of the signed log book page must be received by Tamworth Regional Council on or before the 28th day of each month**, even if no water had been taken during the period.
4. Failure to submit readings on time may result in additional fees being applied.

Notification of meter readings

- Email to _WW-GenBusinessSupport@tamworth.nsw.gov.au
- Fax to 02 6768 1529

If you require a new log book, email your request to _WW-GenBusinessSupport@tamworth.nsw.gov.au
