SUMMARY

The purpose of this report is to seek Council’s consideration of naming the Bendemeer Sportsground the “Ken Brett Memorial Sportsground”.

COMMENTARY

Bendemeer community members Jackson Walden and Michael Osborne have respectfully requested that Tamworth Regional Council consider renaming the Bendemeer Sportsground as the “**Ken Brett Memorial Sportsground**” in honour of the late **Ken Brett**, whose dedication and volunteer efforts have shaped the sporting and community spirit of Bendemeer for decades. The request is **ATTACHED**, refer **ANNEXURE 1**.

Ken Brett played a pivotal role in revitalising local sports and community facilities. As president of the Bendemeer Rugby League Club, he led the club’s revitalisation in 1976, ensuring its ongoing success and strengthening community participation in local sports. His contributions extended beyond leadership, and he was instrumental in enhancing the Bendemeer Sportsground by supporting the development of infrastructure, including amenities, changerooms, and canteen facilities that have benefited residents and visitors alike.

Mr Brett’s commitment to Bendemeer was unwavering. Over many years he dedicated an extraordinary number of hours to maintaining and beautifying various areas of the town, and spent more than **1,800 hours** on his ride-on lawn mower, and later using a community-gifted mower from the Council, to maintain public spaces. His dedication ensured that the Bendemeer Sportsground remained a vibrant and welcoming hub for sports and recreation.

Letters of support regarding this request have been received to date from the Bendemeer Bowling Club, Bendemeer CWA, Bendemeer Hotel, Bendemeer Town Hall Committee and the Grey Fergie Tractor Muster Event Committee. These letters are **ATTACHED**, refer **ANNEXURE 2**.

Council is the asset owner of the Bendemeer Sportsground. The Sports and Recreation division support this request recommending the renaming of the existing sportsground to become the “Ken Brett Memorial Sportsground”, with the term ‘sportsground’ being reflective of the multi-use nature of the site.

(a) Policy Implications

Nil

(b) Financial Implications

10.1 TENNIS AUSTRALIA FUNDING REQUEST

DIRECTORATE: CREATIVE COMMUNITIES AND EXPERIENCES
AUTHOR: Linda Bridges, Coordinator Visitor Economy

RECOMMENDATION

That in relation to the report “Tennis Australia Funding Request”, Council approves the request of \$30,000 to host the ITF World Tennis Tour Men’s 25 event in Tamworth.

SUMMARY

Tennis Australia has requested sponsorship from Tamworth Regional Council to support the hosting of the ITF World Tennis Tour Men’s 25 in September 2025.

COMMENTARY

Tennis Australia (TA) holds 26 Pro and 18 Junior Tournaments across 12 venues nationwide. These tournaments play a crucial role in the tennis ecosystem of the country, offering players competitive pathways, opportunities for earnings (total prize pool of US\$1.1M), and ATP/WTA Tour world ranking points.

The financial commitment from Tennis Australia to host and stage this level of professional tennis for the week in Tamworth includes all prize money, travel, accommodation and operational costs.

Staff are working on the opportunity to forge a long-term partnership with Tennis Australia with the hope of securing the hosting of this tournament in the region for a further two years (2026 – 2027). This would be determined after the assessment of the 2025 event in conjunction with other stakeholders including Wests Entertainment Group.

Hosting a major event in a regional city delivers significant economic benefits and stimulates overnight visitation both immediately and in the long term. During the event, the influx of attendees—including participants, officials, and spectators—drives demand for local accommodation, dining, and retail, providing an immediate boost to businesses and injecting revenue into the regional economy. Local service providers and vendors also benefit from increased activity, supporting job creation and economic growth.

Beyond the event itself, the heightened visibility of the region often attracts future visitors. Exposure through national broadcasting, media coverage and marketing efforts puts the city on the map as a destination for tourism. Positive experiences by attendees generate word-of-mouth recommendations and repeat visitation.

Additionally, improvements made to infrastructure and facilities have enhanced the region's capacity to host future events and create a foundation for sustained tourism growth.

ECONOMIC IMPACT

Based on the valuation report for Tennis Australia events, a single occurrence of a typical high-profile event (such as a Pro Tour Challenger) is estimated to generate the following economic impacts:

Visitor Metrics provided by Tennis Australia:

- total attendance of about 2,279 people.
- approximately 279 visitors traveling from outside the host region.

Tennis Australia estimate expected crowd at 2000 of which 279 will stay for 11 nights. The estimated total economic impact of \$1,322,010 as noted in the economic summary below:

Given the economic benefits generated by the event—such as an 11-night stay per athlete, increased local hospitality spending, and tourism exposure—there is a strong case to consider supporting Tennis Australia, through financial sponsorship.

Wests Entertainment Group have agreed to co-contribute to sponsoring the event. The support amount has yet to be determined.
