### **CORRESPONDENCE**

#### **IN** **OUT**

Darrin is finding it hard with the Fire Brigade bloke, as there is still difficulty with them not paying the electricity they are using from the sports ground .

Council has informed Darrin that we have not used all of the gift money, and we still have \$ 2,033 available, which will have to be used before 30<sup>th</sup> June 2023 before it goes back to Council. It will be hard to have it spent before then, but there will be some thoughts of some fence at the sports ground.

#### **General Business:**

**DURI TENNIS GROUP** It still seems that the group will be closing down 30<sup>th</sup> June this year.

**DURI HALL** Billie reported that the front of the hall entry was impacted with white ants. Council inspected the hall and say that the inside wall has to be pulled down. Billie said that is ok for it to be taken down, but there needs to be a wall there in front of the entry door.

Council worked on the toilet septic, and cleaned it out, but there were a few things not going well. They may look to replace with a bio -cycle.

**ANZAC DAY** The meeting at Duri at 7-30, 25<sup>th</sup> April went very well, with the largest numbers of people coming. The Duri School was so helpful in lots of ways.

The 17<sup>th</sup> June horse group will not happen. Darrin is working with Council for permission approval for the gymkhana at the Duri Sports Ground Sunday 29<sup>th</sup> October

Meeting closed 7-56 P.M.

**Next Meeting will be 20<sup>th</sup> June 2023 at the Duri Hall**
