CORRESPONDENCE

IN
OUT

General Business: There has been a lot of paint purchased to use the gift money from Council. Around \$3000.

Darrin has been contacting the Fire Brigade about the cost and use of electricity in the Fire shed. They are understanding more they are using Progress electricity, and it is a cost to Progress. They have given Darrin a key into the Fire shed.

A hot water system has been stolen from the tennis shed. Council has been notified, and police have explored what they might find out.

DURI HALL Duri School is working with Billie to organise a school get together at the hall.

DURI GYMKHANA. St John Ambulance have been be asked if they could come to the next Gymkhana. They said yes, they would at a cost of \$560. The Progress feels that is more cost than it should be, so we will look for some other options. St John Ambulance have been told that it is a no, from Progress.

There will be Super Damper Night for the community to come and enjoy food, and enjoy connection. It will be Saturday 9th September from 6-30 PM. The Fire Brigade will join in, and there will be some small fires on outside. There will be mail delivered to locals about the event, and Brydie will put on face book what she does for Progress to inform the events.

Meeting closed 7-58 P.M.

Next Meeting will be 15th August 2023 at the Duri Hall
