**General Business:**

**HALL AND PAVERS** Nothing further on toilet drain repairs. The lock on the hall shed needs to be investigated, Geoff will follow it through. There has been quite an amount of graffiti done in the men's toilet at the hall. There has been some restoration done. Some of the rocks that are placed round the citrus are a bit sharp, and will see if Council can grind some back a bit.

**SPORTS GROUND** The fences were all removed on Saturday 17<sup>th</sup> by volunteers, some with suitable equipment, and many people helping. Much work was done also with branch and tree removing to get all in excellent shape and condition. All of the new fencing was installed, some in more appropriate position, with the entrance gates in different positions. The end result is very impressive. A job well done by all. Probably need to install a small gate for people to enter the oval. Council is arranging for the toilet clear part of the damaged roof to be replaced. The roof has not been replaced yet, Darrin will send an email to Council reminding them.

**GYMKHANA** St John ambulance still has not replied. A person has been contacted by phone, and a different person has been contacted by email.

Mandy has got some really good and expensive prizes for the raffle together, and so will begin the raffle soon, leading into the gymkhana. Some people will take tickets soon to sell.

Looking at what is best for menu at gymkhana. Also for the best wrist bands for horse riders.

Brydie F. will get things together to put on facebook for the gymkhana and the raffle, and possibly other Progress information.

Garry and Debbie Craig need to be contacted soon by Lindsay

Meeting closed 7-57 P.M.

**Next Meeting will be 17<sup>th</sup> September 2019 at the hall**
