Discussion topics

TRC

Blake

- Spoke about the sprinkler issue being rectified with the new mobile phone accessible system
- Highlighted that the BSO was notified of the Oztag training sessions occurring on baseball fields
- Spoke about the annual key review. Will provide a list of key holders by next operational meeting, this is to ensure that records held by TRC are accurate

Adam

- Gave an update regarding the status of the fields after flooding occurred. Fields are in good shape considering. The Porter field will usable for the weekends grand final

TSA

Judy

- Spoke about the upcoming Grand Final match on Saturday. This will be played on the Porter field
- Pointed out that the line from first base to second base on Porter field was not straight
- Pointed out that a few divots had formed near the home base on Porter field
- Pointed out divots near batter's box
- Spoke about getting the back end of the batter's box moved shorter
- Spoke about getting grass mowed shorter than usual between the batter's box and the fence. The usual length made it difficult for players to quickly grab the ball
