Cricket

Grahame

- Highlighted that 9 lights were out at No.1 Oval

Greg

- Spoke about the chances of having the public closed for the Veterans Cricket carnival. SDO said this was unlikely but could check.
- Spoke about getting more storage at Cricket House in the form of a shipping container

Ben

- Highlighted the need for storage for cricket covers as current ones are damaged. SDO would follow up with project officer
- To follow on from this, spoke about acquiring roller designs for new covers. Project officer would get into contact with Ben about this.
- Spoke about still waiting to get credited from their last carnival (fee waiver approved).
- Also asked if their invoicing could be changed to monthly rather than annual.

TRC

Acting Sport and Recreation Development Officer

- Spoke about the decision not to put cricket nets at Chauvel Park as a result of resident not happy with the location.
- Spoke about the upgrades at No.1 Oval being delayed as extra design/costs have now been included to make the pavilion a multi-use recreation site. Will still go ahead once further funds have been acquired.
- Spoke about Riverside 3 field potentially having lights installed if funding can be acquired
- Works on Solander Dr (road between Riverside fields and river) taking place at the start of April for approximately 2-3 weeks.
- Riverside 1 + 2 wickets refurbishment near completed. Fencing to be completed end of this week and wickets to be finished end of next week.
