Discussion topics

Cricket

Greg

- Thanked Council and in particular the outdoor crew for their work in getting cricket fields ready for the state of origin carnival after flooding
- Gave an overview of the state of origin carnival
- Spoke about the end of year cricket presentation taking place on the 24th April from 11am at Cricket House. TRC staff are invited
- Mentioned the veterans state championships taking place in October

Grahame

- Spoke about the credits that cricket had received for their washed-out games

TRC

Blake

- Gave an update regarding nets signage. Signs have been finished and now Project officer will meet Greg at nets to discuss where to position signs
- Further discussions were had regarding the new proposed nets. After TDCA and TJC decided to withdraw their funding due to the location of the nets, it was decided to reevaluate the location again. Riverside 3 field is the proposed location with TJC agreeing and TDCA waiting to hear from their board to give an answer. Council sport and recreation manager will seek approval from executive team to move the location to Riverside 3 field
- Gave an update regarding the pavilion upgrades; an application will be made to the Stronger Country Community fund which opens on the 1st May. Designs will need to be made before this, with a strong emphasis on female change rooms. Consultation will take place with sport users groups
- Spoke about the key review and SWOT analysis

Adam

- Spoke about the process in getting wickets up to a playable surface after flooding
- Thanked Cricket for their support and understanding relating to field preparation

Actions

TRC

Blake

- Ask BSO to set up another operational meeting with Cricket to do key review and SWOT analysis
