Discussion topics

Softball

Judy

- Mentioned that sprinklers came on during Saturday morning just as they were about to start a game
- Highlighted that lady's bathroom at softball clubhouse had no water going to it
- Said that on Thursday nights Oztag training is using one of the softball fields, not an issue for Softball, however didn't want a stray ball to injure an Oztag participant.

TRC

Blake

- Asked whether Softball were receiving calendar invites still? Also enquired what the best email address contact was.

Adam

- Aware of the sprinkler incident, currently in the process of moving to an automated system. If it happens again, sprinklers can be shut off from mobile phone.
- Aware of the water issue, his crew turned the water off as there was a leak in the system. Getting fixed on Monday and water will be turned back on.

Actions

Softball

Judy

- Send a confirmation email to Sport and Recreation, detailing sprinkler incident, and ask not to be invoiced for that field/game.
