Discussion topics

Touch Football

Kellie-Ann

- Looking at removing current Touch Football sign and replacing it with a new one on the western side of the clubhouse

TRC

Acting Sport and Recreation Development Officer

- Spoke about upcoming works taking place on Solander dr and the shared pathway from Gipps st car park to Locks lane. This would have minimal impact on training/matches.
- Spoke about individual clubs under NNSWF wanting to use the canteen for game days. This wouldn't impact touch football as they have separate canteens.

Supervisor

- Asked if bookings had been sent through for upcoming touch season and which fields would be used for game nights

Actions

TRC

Acting Sport and Recreation Development Officer

- Get approval from Sport and Recreation Manager regarding new sign being placed on clubhouse
- Seek clarification from bookings & admin officer if touch football have submitted their bookings
