DISCUSSION

Item	Action
1. Roller Derby SWOT analysis	
<ul style="list-style-type: none"> • STRENGTHS <ul style="list-style-type: none"> ○ The floor at the Sports Dome is perfect. It is hard, clean, and has no imperfections. ○ Note; previously in 2013 the club used the poly courts this was not ideal as the skates 'sink' into the polymer and players slow down very abruptly. ○ The club has doubled in numbers over the last 12 months. • WEAKNESS <ul style="list-style-type: none"> ○ Time at the Sports Dome is limited. The Club understands the only available time to utilise the Courts is Sunday afternoon for two hours. ○ Not having permanent lines is a weakness. The Club has to put time and financial resources into continually taping lines. Furthermore the Club believes witches hats / cones are a trip 	<ul style="list-style-type: none"> • Sports Dome staff to explore options of additional training times for the sport • Sam to discuss options for line marking with division Manager.

hazard.

- **OPPORTUNITIES**

- There is a desire within the Club and the community to have juniors program
- The club has a large supply of gear that can be used for 'come try' events
- The sport has had significant growth in Armidale.
- The variation of the sport, 'quadfit' will introduce new people to the roller derby scene.

- Sports Dome Program Officer to incorporate Roller Derby in any appropriate upcoming programs / events

- **THREATS**

- The club would struggle to survive if it were to lose the opportunity to utilise the sports dome. A good venue is key to the success of the sport.

2. Strategic Projects Coordinator update

- The initial findings of the Sport and Recreation plan were presented to Council this week. Roller Derby is to be commended for their input to this plan. The sport has been recognised / identified in the initial report. The Draft Plan will be on public exhibition in May with all sports encouraged to review and make comment.
- Encouraged Roller Derby to formulate a draft strategic plan for the sport / club in Tamworth. This is to include short, medium and long term goals.

- Club detail a draft Strategic plan

3. General Business

- Encouraged the club to contact schools (again) for hall usage. TRC will be a referee to discuss the impact of the skates on the floor if a school requires this.
- Sam will contact the S355 coordinators to explore hall options.

- Club contact schools and investigate options of using halls
- Sam contact S355 coordinators to discuss options for halls
